Subject — Vacancies of teachers in the Kolar Gold Fields High School

I have the honour to state that Mr. S.Madhava Rao, L ..., Assistant Master, K G F. High School in the grade of Rs. 40-4-60 was promoted to the grade Rs. 60-4-80 and was posted to the Municipal High School, Chintamani in this office Memo No. H3-1843-143 of 46-47 dated 30th September 1946 and later on Messrs B V Srinivasaiah and S.Satyanarayana Rao, Assistant Masters of the same school in the grade Rs 40-4-60 were promoted to the grade Rs 60-4-80 and posted to the Municipal High Schools at Arsikere and Tarikere respectively in this office Memo No H2-4297-125 of 46-47 dated 10th October 1946. These teachers were given promotion in the order of their seniorit and posted to the schools where vacancies of higher grade occurred. The President of the K G F Sanitary Board High School Committee wrote back to say that since the beginning of last year a number of teachers who had at least put in a couple of years of service were transferred on promotion to other High Schools with the result that almost all the teachers of the Sanitary Board High School were juniors and during the current academic year also, a number of changes have taken place and the above 3 transfers would be a further addition to the list Further he stated that already there were 3 vacancies in the grade of Rs. 40-4-60 which were widely advertised and even though they were filled up by appointing three candidates, only one candidate reported himself for duty and if the above 3 teachers were to be relieved immediately the school would be short of five teachers The President requested in view of the above position to post three teachers in place of the three teachers transferred on promotion so that the school work might not suffer The Managing Committee in their meeting held on 18th October 1946 authorised the President to give these teachers a

P T O

a pay of Rs. 60/- each per mensem in view of the fact that by the postponement of their relief, they would be put to loss of higher rate of pay. I requested the Deputy Commissioner again to arrange for the relief of these teachers as the postponement of their relief would affect their seniority and make some interim arrangement for work in the school ' The President in his letter No. H S 34/46-47 dated 30th December 1946 stated that the position was much the same even then and it has not been possible to recruit candidates locally for the vacancies existing in the school inspite of earnest efforts and the incentive of higher starting pay and requests that the three teachers under orders of transfer may be allowed to continue in the same school till the end of the current academic vear on a pay of Rs 60/- per mensem against their present grade of Rs 40-4-60 without prejudice to their present promotion.

In view of the position explained I am permitting the Deputy Commissioner to continue the above three teachers in the K G F. High School and relieve them well in time to enable them to join duty in the new places on the day of the reopening of the schools after the summer vacation this year without affecting their promotion

In the above circumstances, I request that the Government may be pleased to approve my action and the proposal of the Managing Committee to give these teachers a pay of Rs. 60/- each per mensem in lieu of the loss of higher pay they sustain by the postponement of their relief.

I have the honour to be,

Sir,

Your most obedient servant,

Ag. Director.
